

Share your views on the proposed Code of Practice for Public Access to Meetings and Meeting Documents

Share your views Consultation is open until 16 May 2023

Council is committed to open, transparent, and informed decision-making. We encourage our community to attend and participate in Council meetings and to access meeting documents to learn about the decisions Council makes on their behalf.

To support this, Council has a **Code of Practice for Public Access to Meetings and Meeting Documents** that outlines how our community can access meetings and documents, and when access to this information might be restricted due to confidentiality.

The **Code of Practice for Public Access to Meetings and Meeting Documents** has recently been reviewed.

You are invited to share your thoughts on the reviewed Code to help Council finalise the draft – we want to know if we have got the Code right.

Review and adoption of the Code of Practice for Access to Meetings and Meeting Documents is a legislative requirement under the Local Government Act 1999.
