About this survey

The City of Playford wrote this survey.

When you see the word **'we'** it means the City of Playford.

This survey is written in an easy to read way.

We use pictures to explain some ideas.

The first time we write a hard word

The word is **bold**

You can ask for help to fill in the survey.

A friend, family member or council staff may be able to help you.

About the plan

We are writing a new strategic **plan**.

The plan tells council what to work on for the next 4 years.

To write the plan we talk to lots of people who live and work in Playford.

You can help us with information by filling in a **survey**.

A survey is a set of questions.

We want to learn about your life in Playford.

We will listen to what you say.

We will think about all the ideas.

We will then write the new plan.

You must finish the survey
Tuesday 30 April

You can win a \$50 Drakes
Foodland voucher.

We will ask for your name and
phone number at the end of the
survey.

About the new plan

We want people to join in community life.

Joining in can help you feel connected.

When people are connected it makes the community a happy place to live.

People feel connected when they know

- neighbours
- local people
- someone who can help them

People feel connected when they

- can help others
- find information
- go to community places.
