Gloaming Reserve, Hillbank is getting an upgrade

We're planning an upgrade to this reserve and we want our Hillbank Community to help design it.

Your feedback will guide us in creating a welcoming space for the community to enjoy which complements the nearby Jo Gapper Regional Reserve. We are also enhancing our city's greenery and contributing to our goal of increasing tree

canopy across the Council area.

When upgrading our local parks, we need to consider items that are suitable for the space that will appeal to different ages and abilities all within a set budget.

We are considering some different options for Gloaming Reserve and want you to choose from the 4 options to help inform the final design.

You can provide your feedback in a number of ways

- ❑ Complete an online survey playford.engagementhub.com.au or scan QR code
- ❑ Call us 8256 0333
- ❑ Post this survey to us using the Reply-Paid Envelope, **Att: Gloaming Reserve Feedback**
12 Bishopstone Road, Davoren Park, SA, 5112

The staff will also be out doorknocking adjacent residents to the reserve, and we hope to catch you.

We look forward to receiving your feedback by 5pm 10 June 2024.

This project is currently in the definition stage and is being scoped. A timeline for construction of the project can only be determined once the project is fully scoped.

Option 1

Large flying fox (approx. 40 – 60m in length).

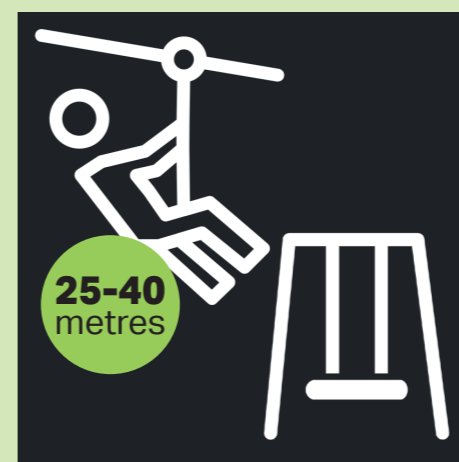

Option 2

Basket swing and small slide.

Option 3

Standard flying fox (approx. 25-40m in length) and basket swing.

Option 4

No play equipment. Maximise improved accessibility and greening across the reserve (irrigated lawn areas, new trees, and pathways).
