

# Virginia Oval Community Playground is ready for renewal

## Share what you love about your playground – and what you'd like to see next!

Located within the busy Virginia Oval Precinct, this fully fenced playground is a valued space for families, people with disability and their carers offering a safe and accessible environment to play, connect, and unwind. It's also popular with visitors to the sporting facilities next door and local community groups. With toilets, BBQs, and plenty of open space, we know it's a favourite place in Virginia for our community!

As our community grows and changes, so does the way we use our play spaces. This is your chance to tell us what you value most about the space, what you'd love to see included in its renewal – and what might not be working so well anymore.

Every idea counts – we'll consider all feedback to help guide what's possible within the project budget and available space.

## How to share your feedback:

### Attend our Community Pop-Ups

Enjoy fun activities at the playground and tell us what you would like in this space.
